Case No. 92-03-05

O R D E R

Upon the authority of 6 Del. C. Section 7316, it is ordered that respondent's registration as a broker-dealer agent in Delaware is hereby revoked. Respondent failed to request a hearing within the thirty days provided in my order of March 30, 1992, and therefore the allegations in the Notice of Intent to Revoke Broker-Dealer Agent Registration are admitted by default.
