is not seeking a rebate for syringes for which it has received reimbursements for the costs of that syringe from any other government or public entity in the State of Delaware.

For more information or any questions about the rebate program, please contact Shannon Faulk at Shannon.Faulk@state.de.us or (302) 577-8600.
Naloxone Rebate Instructions

On September 17, 2015, Delaware Attorney General Mathew P. Denn entered into an agreement with Amphastar Pharmaceuticals, Inc. Under the agreement, the drug manufacturer agreed to provide a $4 rebate to a government or public entity in the State of Delaware for each Amphastar naloxone syringe it purchased during the time period September 18, 2015 through September 17, 2016, or for a reimbursement the entity made for such a purchase during that time period. This agreement has since been amended to increase the rebate amount to $6 and extend the purchase period through September 17, 2017. A copy of the agreement and amendment can be found at [http://www.attorneygeneral.delaware.gov/fraud/cpu/documents/DE_Payment_Agreement_091715.pdf](http://www.attorneygeneral.delaware.gov/fraud/cpu/documents/DE_Payment_Agreement_091715.pdf).

Eligibility

- All government or public entities in the State of Delaware are eligible to receive rebate payments.
- The agency is not required to purchase the syringe directly from Amphastar to receive the rebate. An eligible purchase also includes purchases made from wholesalers and retailers.
- An agency purchase where the agency received reimbursement for the costs of the syringe from another government or public entity in the State of Delaware is not eligible for a rebate.
- Only purchases of Amphastar-manufactured naloxone syringes made between September 18, 2015 through September 17, 2017 are eligible for the rebate payment. This includes the Luer-Jet prefilled syringe labeled with the National Drug Code # 76329-3369-1.

Submission Requirements

- An agency seeking a rebate must submit a written accounting certifying the number of naloxone syringes purchased or reimbursed by the agency during a three month time period.
- The submission must include paid invoices or other reasonably adequate documentation of the number of syringes purchased.
- Each submission must be made within sixty (60) days of the conclusion of the calendar quarter the purchase or reimbursement was made.
- A claim form is attached for your convenience.
- The claim form and supporting documentation should be submitted to Melissa Suarez, Amphastar, Manager, Sales and Marketing at MelissaS@Amphastar.com.

Rebate Reimbursement Information

Under the agreement, Amphastar is required to provide the payment within 90 business days of receiving an agency’s claim form. Payment may take significantly longer if 10 or more separate agencies request rebates in a given quarter. If you have any questions about the rebate process, please contact Shannon Faulk with the Delaware Department of Justice at (302) 577-8600 or Melissa Suarez with Amphastar at (909) 942-4182.
