Delaware Department of Justice Consumer Protection Unit 820 N. French Street, 5th Floor Wilmington, DE 19801 security.breach.notification@state.de.us

The Consumer Protection Unit of the Delaware Department of Justice is making this Model Data Security Breach Notification Form available to provide assistance and guidance to businesses and other entities who are subject to Delaware's data breach notification law and are required to give notice of a data breach to affected persons pursuant to Title 6, § 12B-102(a) of the Delaware Code.

The Consumer Protection Unit of the Delaware Department of Justice will deem use of this Model Data Security Breach Notification Form to constitute appropriate written notice to affected persons required under Title 6, § 12B-102(a) of the Delaware Code. Other forms of written or electronic notice may be appropriate, but for ease of reading and accessibility CPU strongly encourages use of the headings substantially similar to those in the left column together with the use of plain, accessible, and non-technical language.

This form should not be used for providing notice to the Delaware Attorney General when notice to the Attorney General is required pursuant to Title 6, § 12B-102(d) of the Delaware Code. A different data breach notification form has been made available for that purpose on the Consumer Protection Unit's security breach notification web page:
