**HEALTH SPA REGULATION EXEMPTION FORM**

I have reviewed the Health Spa Regulation, 6 *Del. C.* § 4201 *et seq.*, and can state that:

\_\_\_\_\_  
(Name of Business)

\_\_\_\_\_  
(Street Address)

\_\_\_\_\_  
(City/State/Zip)

\_\_\_\_\_  
(Phone Number)

does not have to register as a health spa pursuant to that regulation because: [**Check Box**]

- It does not meet the definition of a “health spa.” A “health spa” includes any person, firm, corporation, organization, club, or association engaged in the sale of memberships in a program of physical exercise, physical fitness, weight control or figure reduction, which offers the use of 1 or more of the following: a whirlpool, weight lifting room, steam room, exercising room or exercising or weight loss device.
- It is a bona fide nonprofit organization whose function as a health spa is only incidental to its overall functions and purposes (*e.g.*, the YMCA).
- It is a private club owned and operated by its members.
- It is an organization primarily operated for the purpose of teaching a particular form of self-defense such as judo or karate.
- It is a facility owned or operated by the United States.
- It is a facility owned or operated by the State or any of its political subdivisions.
- It is a nonprofit public or private school, college or university.
- It **is** a health spa, **but** it does not offer, advertise, or execute “health spa contracts,” nor does it intend to offer, advertise, or execute “health spa contracts.” [A “health spa contract” is a written agreement whereby the buyer of “health spa services” purchases or becomes obligated to purchase “health spa services” to be rendered **over a period longer than 3 months**, and the seller of the health spa services **receives payment to cover a period more than 3 months**. “Health spa services” means and includes services, privileges or rights offered for sale or provided by a health spa.]
