

## Appendix

A security incident occurred that involved unauthorized access to files on file share servers. Steps were immediately taken to contain the incident, determine the files involved, and then begin a prioritized and phased approach to review the files involved to notify individuals as quickly as possible. The first phase involved a review of files likely to have higher concentrations of records containing Social Security numbers. The review of those files enabled notifications to be made starting in March 2022 by an entity related to CLS called Lakeview Loan Servicing. In April 2022, another related entity, Pingora Loan Servicing, began providing notification. Lakeview and Pingora continued to identify individuals to notify and mail notification letters in May and June of 2022. The review of the remaining files that were involved in the incident is now complete and CLS, Lakeview, and Pingora are beginning to mail letters to the remaining individuals to notify them about the incident. On July 29, 2022, the review process generated a list of individuals related to CLS, including 678 Delaware residents, whose name, financial account number, and/or Social Security number were included in the files.

On August 19, 2022, CLS will begin mailing notification letters via United States Postal Service First-Class mail to individuals whose information may have been involved, including to 678 Delaware residents, in accordance with Del. Code § 12B-102(a). A copy of the notification letter is enclosed. CLS is offering eligible individuals complimentary one-year memberships in credit monitoring and identity protection services through Kroll. In addition, CLS has recommended that residents review their financial account statements and credit reports and report any unauthorized charges or activity and has established a dedicated, toll-free helpline where residents may obtain more information regarding the incident.

To prevent something like this from happening in the future, CLS has taken additional steps to further enhance its existing security measures.

Dear <<first\_name>> <<middle\_name>> <<last\_name>> <<suffix>>,

Community Loan Servicing LLC (“CLS”) understands the importance of protecting the information we maintain. We are writing to inform you of an incident that involved some of your information. This notice explains the incident, measures we have taken, and steps that you may consider taking.

CLS currently or previously serviced your mortgage loan. A security incident involving unauthorized access to our file servers was identified in early December 2021. Steps were immediately taken to contain the incident, notify law enforcement, and a forensic investigation firm was engaged. The investigation determined that an unauthorized person obtained access to files on our file storage servers from October 27, 2021 to December 7, 2021. The accessed files were then reviewed by our investigation team to identify the content. On <<b2b\_text\_5(discovery date)>>, the review process determined that some of your information, including your name and Social Security number, was included in the files. For some, the accessed files may also have included information provided in connection with a loan application, loan modification, or other items regarding loan servicing. The additional loan related information in the files is not the same for all individuals.

## TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You have been provided with access to the following services from Kroll:

### **Triple Bureau Credit Monitoring**

You will receive alerts when there are changes to your credit data at any of the three national credit bureaus—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

### **Fraud Consultation**

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

### **Identity Theft Restoration**

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

If you prefer to activate these services offline and receive monitoring alerts via the US Postal Service, you may activate via our automated phone system by calling 1-888-653-0511, Monday through Friday, 8:00 a.m. to 5:30 p.m. Central Time, excluding major U.S. holidays. Please have your membership number located in your letter ready when calling. Please note that to activate monitoring services, you will be required to provide your name, date of birth, and Social Security number through our automated phone system.

Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

## ADDITIONAL STEPS YOU CAN TAKE

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity over the next 12 to 24 months. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *Equifax*, PO Box 740241, Atlanta, GA 30374, [www.equifax.com](http://www.equifax.com), 1-800-685-1111
- *Experian*, PO Box 2002, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742
- *TransUnion*, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com), 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), [www.identitytheft.gov](http://www.identitytheft.gov)

### **Fraud Alerts and Credit or Security Freezes:**

***Fraud Alerts:*** There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

***Credit or Security Freezes:*** You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

***How do I place a freeze on my credit reports?*** There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

***How do I lift a freeze?*** A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.
