

## Delaware Automatic Residential Mortgage Foreclosure Mediation Program: Overall Participation for Matters filed from July 2020 through September 2022

**Overall participation in the Mediation Program: 58.68 %**

**Of those who participate, successful mediations<sup>1</sup> result: 73.83%**

\* Certificates of Participation are often filed prior to the mediation conference date. Therefore, the number of Certificates of Participation does not directly correlate with actual participation in the Mediation Program.

\*\* Cases dismissed outside mediation are any cases dismissed without a mediation conference being held, including cancelled and later dismissed and cases where homeowner failed to attend mediation and the matter was later dismissed. Cancelled cases are those matters where a cancellation request is filed by the Plaintiff because the home is not owner occupied or where the homeowner submits a Certificate of Participation electing not to participate in mediation and opting out of the mediation program.

<sup>1</sup> "Successful mediation" is defined as any conference where the homeowner achieves a non-foreclosure resolution to avoid a Sheriff's Sale of the property, where the parties remain engaged in negotiations and the homeowner is granted a subsequent mediation conference date, or where the case is dismissed after a final record is filed.
