RE: Division of Civil Rights & Public Trust Annual Hate Crime Report for 2025

In accordance with 11 Del. C. § 1308(c), the Delaware Department of Justice's Division of Civil Rights and Public Trust has posted on the Division's website the annual number and nature of hate or bias related incidents reported to Delaware's law enforcement agencies. Included are the reported incidents of hate or bias for the period of January 2025 through December 2025. For purposes of this report, a hate or bias "incident" is defined as either a single event or multiple events involving the same perpetrator.

In the 2025 calendar year, 35 incidents of hate or bias were reported to Delaware law enforcement. Of those incidents, 19 occurred in New Castle County; 6 occurred in Kent County; and 10 occurred in Sussex County.<sup>1</sup> The types of hate or bias exhibited in these offenses were as follows: race (13), ethnicity (5), religion (7), sexual orientation (5); gender identity (2), speech (2), disability (1).<sup>2</sup>

Any victim or witness to a hate crime should immediately call 911 and report the incident to local law enforcement, taking note of the location, identifying physical features of people involved (clothing, tattoos, license plate, etc.), and asking the officer to note it in the police report. Incidents of hate or bias may also be reported to DCRPT at (302) 577-5400, [publictrust@delaware.gov](mailto:publictrust@delaware.gov), or [de.gov/publictrust](http://de.gov/publictrust).

Sincerely,

/s/ Daniel McBride

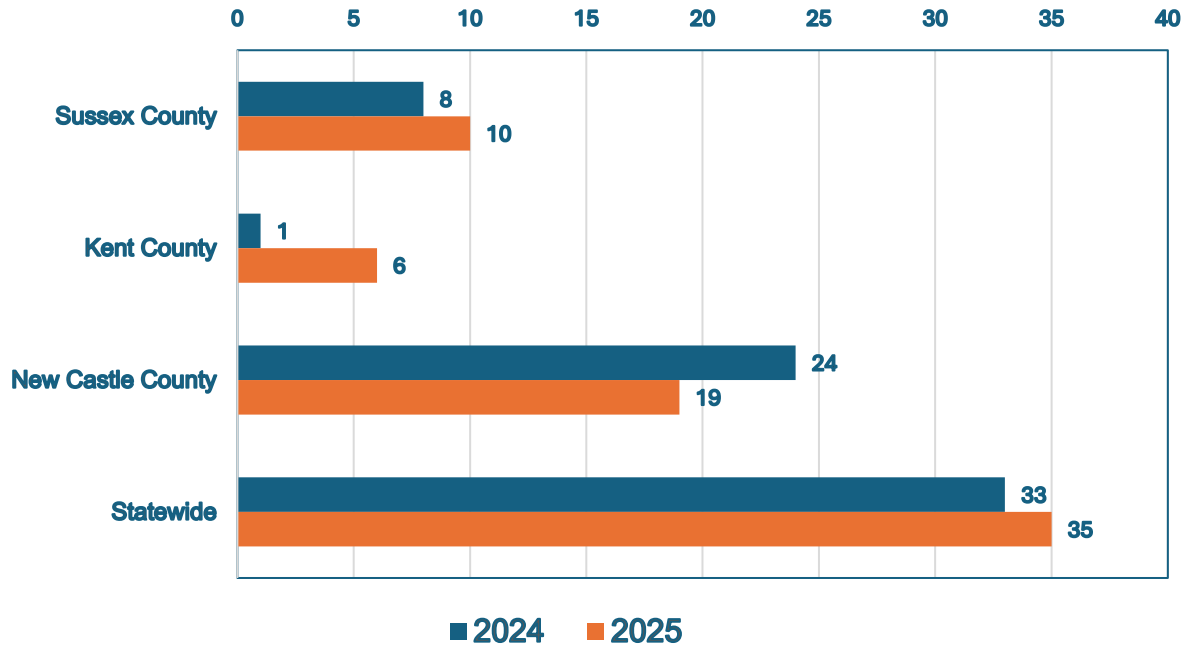

Daniel McBride  
Director, Division of Civil Rights & Public Trust
